

Lorenzo Fabbri | Resume

PhD Student

Status: PhD Student at the Barcelona Institute for Global Health
Field: Causal Inference, Epidemiology

Barcelona, Spain

Summary

I am a PhD student at the Barcelona Institute for Global Health (ISGlobal). I work under the supervision of Prof. **Martine Vrijheid**. My main topic of interest is the use of modern Causal Inference methods to answer questions in the broad field of Environmental Neuroepidemiology. I am also profoundly interested in Open Science and Reproducible Research.

I received my Bachelor's degree in Biotechnology and my Master's degree in Quantitative and Computational Biology. You can find me on **Twitter**, **Bluesky**, **Mastodon**, and **GitHub**.

Working Experience

PhD Student

Barcelona Institute for Global Health (Barcelona, ES)

2021 - Present

* NA

Student Research Assistant Fellowship

Università della Svizzera italiana (Lugano, CH)

2017 - 2017

* NA

Honors and Awards

Outstanding Abstract by a Student

International Society for Environmental Epidemiology

2022

*

Publications

Conference Presentations

Education

PhD Programme in Biomedicine

Universitat Pompeu Fabra (Barcelona, ES)

2021 - Present

* NA

M.Sc. in Quantitative and Computational Biology

Università degli Studi di Trento (Trento, IT)

2017 - 2019

* NA

M.Sc. Student in Computational Science

Università della Svizzera italiana (Lugano, CH)

2016 - 2017

* NA

B.Sc. in Biotechnology

University of Parma (Parma, IT)

2012 - 2016

* NA

Continuing Education
